Scott,

Yes. We must specify \$75,000 to trust for meds. The remainder strictly for PPD.

Scott,

I ask that the Compromise specify that the \$90,000 is strictly for PPD. This will reduce the risk of LTD asking for repayment.

They accept. I'll write it up. Please ask the ALJ to take the hearing off of the docket.

Thanks,

Scott,

I can get this done at \$90,000.00. Let me know if we have a deal.

My clients have given me authority to counter at \$85,000, FF. They are seriously and legitimately concerned about overpaying and leaving your client with a windfall. No way the VA makes him pay. A big move for them and likely their best offer.

Please let me know whether this is acceptable. If so, I'll write it up and then please ask to have the 8/5 hearing cancelled.

Thanks,

Scott,

I am hopeful the VA doesn't come after Mr. Pica in the future. However, there is always a risk. Is your client willing to do an HH?

Nevertheless, If not, I can respond with a substantially revised Demand of \$95,000 FFCA with Mr. Pica accepting the future potential risk.

Thank you,

Alex E. Eichhorn
